

WELCOME TO OUR OFFICE!

Pain Specialists of Southern Oregon is committed to providing you with state-of-the-art interventional pain management and clinical services. We will do our best to treat your medical condition and provide you with quality care.

Joseph Savino, M.D. and George Johnston, D.O. are fellowship-trained in Pain Medicine. Dr. Savino is board-certified in Anesthesia, with a subspecialty certification in Pain Management. Dr. George Johnston is board-certified in Physical Medicine & Rehabilitation, with a subspecialty certification in Pain Management. Their goal is to partner with the referring physician to optimize your care. They will communicate with your referring physician about your condition, treatment plan and outcome.

APPOINTMENTS

Your first visit to our office is a consultation and will last from 45 to 60 minutes. During the consultation your doctor will discuss your condition and determine a treatment plan if one is indicated. We will call to confirm your appointment two business days prior to your appointment. If you are not home and you have an answering machine that identifies your phone number and/or your name, we will leave a message regarding your appointment. If you have no identifier on your answering machine, we will not be able to leave a message. Due to space constraints, only one other person will be allowed in the exam room with the patient during the patient/physician examination. Patients who are late for their appointment and/or check-in time will be rescheduled.

PRESCRIPTIONS

It is our office policy to refill prescriptions only during clinic hours. This means that refills **will not** be given after clinic hours, during the weekdays and/or the weekend. We also will not refill prescriptions earlier than indicated on your current prescription. Please take this in to consideration if you use a mail-in pharmacy. We require 72 hours on all refills.

FINANCIAL POLICY

We participate with most major insurance companies. Co-payments and/or co-insurance payments are due at the time of service. For patients who do not have insurance and are unable to pay in full at the time of service, please contact our office prior to your appointment to discuss a financial payment plan. As a convenience to our patients we accept cash, checks and/or VISA/MasterCard.
