FINANCIAL POLICY

Please be assured that everyone in this practice provides medical care in the highest quality possible to all our patients, in an atmosphere of caring, trust and mutual respect.

Your complete understanding of your financial responsibilities is essential; the following is our financial policy that all patients are required to read and sign prior to seeing a healthcare provider. Please let us know if you need any clarification on our payment policies.

Please present to the office with a form of payment to meet your financial obligations to your insurance provider and to your healthcare provider. We accept cash, debit card, check, MasterCard, Visa, Discover and American Express.

You are responsible for all copays, coinsurance, deductibles, and non-covered services. We are obliged to collect your copay at the time of service per your insurance company. Please understand that we cannot waive deductibles, coinsurances or copays that are required by your insurance. Patient portion of payment is due at time of service unless prior arrangements have been made with the business office.

We accept assignment with most major insurance companies and participating provider plans. However, please note:

1. Your insurance policy is a contract between you, your employer and the insurance company. Our relationship is with you, not your insurance carrier.
2. All charges are your responsibility whether your insurance company pays or not (to the extent of insurance contractual obligation).
3. Returned checks will be subject to any bank fees charged to our office, in addition to a service fee, and will be billed to you.
4. Unpaid balances are subject to collections process.

We understand that temporary financial problems may affect timely payment of your balance. Balances not paid within 90 days will be turned over to an outside collections agency, unless prior payment arrangements have been made with our business office. Patients turned over to a collection agency will also cease to be patients of Pain Specialists of Southern Oregon.

Due to the hardship imposed on the practice and other patients, scheduled appointments that are missed, cancelled and /or rescheduled with less than 24 hours' notice will result in a fee and may also result in discharge from the practice. The fee for missed appointments is determined based on the level of hardship it imposed on the practice. This fee will not be covered by your insurance and must be paid prior to you seeing the healthcare provider.

Prescriptions provided outside of an office visit due to missed, cancelled and/or rescheduled appointments are subject to a fee and payment will be required at the time prescription is provided.

**I have read and understand Pain Specialists of Southern Oregon's "Financial Policy" as described above.**
